

TERMS & CONDITIONS

1. Exhibitor Covenants

- The Exhibitor agrees to abide by all Show rules and regulations and agrees that they are legally permitted/licensed to sell and or display items / products brought to the Show.
- All matters not covered in these rules and regulations are subject to the decision of Show Management. Exhibitor agrees that Show Management shall have the final decision in any disputes between Exhibitor and the adoption of any rule or regulation deemed necessary prior to, during and after the show.
- Exhibitor agrees to abide by all rules, requirements & regulations of the official contractors serving the facility and/or property and all rules, regulations and requirements of the said facility and/or property and the jurisdiction in which the facility (property) is located.
- Show Management reserves the right, in its sole discretion, to 1) determine the eligibility of Exhibitors & exhibits for show 2) reject or prohibit exhibits or Exhibitors that Show Management considers objectionable 3) should any rented space remain unoccupied on day of Show, Show Management may rent said space to another Exhibitor, but this shall not be construed as affecting the obligation of the no-show Exhibitor to pay the full amount of the Rental Agreement, whether or not said space is resold.

2. Display, Products

- Exhibitor agrees to occupy the contracted space during the term of the show & to exhibit only the products described on the Agreement and approved by Show Management.
- Exhibitors are to have their booth set up and ready 15 minutes prior to Show opening.
- Exhibitors shall maintain a responsible individual(s) in the leased space at all times during Exhibition hours. Exhibitor shall be responsible for the conduct of any employee, agent or visitor in the exhibit space.

3. Exhibit Space

- We have 2 options for Exhibit Space. 1) 10x10 space in Vendor Areas 1 – 5 (please see map). These spaces are \$100 per 10' of frontage and you provide your own table(s)/chairs. 2) 10x10 Space on a Range Firing Line (this space is recommended if you plan on selling firearms & would like to give customers an opportunity to fire your guns, this can cover your booth cost). These spaces are \$1,000. (example breakdown, 8,000 attendees, one mag for a 9mm costs you \$2.40, you can sell for \$9 and have a profit of \$6.60 so you would need 151 people to pull the trigger on that one firearm to cover booth cost... if you have multiple firearms you are making money right there).

- The Exhibitor shall NOT assign any rights under this Agreement or sublet the space without the prior Written Approval of Show Management, whose permission may be arbitrarily withheld.
